Texture Mats were Delayed

CHINESE CLAY ART - WEB STORE (the website will be updated soon)
Letter from director of Chinese Clay Art, USA.

I am very sorry to keep you waiting! The texture mats were delayed because of manufacturing problems (the textures were not as deep as what I designed). I have visited China twice in April and May. Now we have made some changes and improved our quality and service:

1. We have got a new business name "the Chinese Clay Art, USA," which matches the name of our website.
2. We have changed our mailing address to: PO Box 1733, Cupertino, CA 95015. The old address "PO Box 64392, Sunnyvale, CA 94088" will still be good until the end of 2002.
3. The toll free number of "1-800-689-CLAY" (2529) will be available soon.
4. Some of the item numbers and prices have changed. Since we are going to import more items, we have re-organized our item numbers, and a few of the prices have been changed. For some of the smaller sized items, we now have them packed in plastic bags with display hanging tags.
5. We are going to print out 3,000 copies of our catalog which will be sent out to clay artists and schools in the US and Canada in August. The catalog will be $3.00 S&H fee, or free with orders.
6. Free catalog for newsletter subscribers: Please send us your mailing address. Deadline: November 1, 2002. Address: Chinese Clay Art, USA, PO. Box 1733, Cupertino, CA 95015. Fax: 408-777-8321, Email: chineseclayart@hotmail.com
